Pre-Congress Workshop

Title: **Teaching Adults How to Understand Babies**

Workshop Leader: Judyth Weaver, PhD

Date: Thursday, April 23, 2009 9am – 4:30pm

This experiential workshop will teach simple exercises that can be used to assist adults in learning more about the child's experiences--from the inside out--somatically as well as emotionally and intellectually.

CE credit: 6 hours for nurses, midwives, physicians, and mental health workers.
